

The Compliance Wave Library 2015 Roadmap/Content Release

Compliance Wave Roadmap

The Compliance Wave Library is painstakingly crafted, assembled, and curated by our Leadership team and our carefully chosen Subject Matter Experts.

While the Library is substantial and rich with materials today – with over **2000 multimedia tools** on more than **75 Topics** – the C&E landscape rarely stops changing. So we continuously update, refine, and add to the Library to ensure our Members have the most relevant, topical materials possible for effectively communicating their vital Compliance messages.

- Since January 2014, Compliance Wave has released over 75 new Compliance tools and topics.
